

DEPARTMENT OF COMPUTER SCIENCE

Parents/Guardians:

We look forward to hosting your high school student on Saturday, April 20, 2024 for the 7th Annual CS@Mines High School Programming Competition. The competition will be held in-person. Please complete the Liability Waiver and Photo/Multimedia Release form. If we do not have your forms signed by the start of the competition, then your child will not be able to participate. If you have any questions, please contact me.

Best regards,

Rob Thompson
Teaching Assistant Professor of Computer Science
Colorado School of Mines

Liability Waiver

I desire to have my child participate in the CS@Mines High School Programming Competition (hereinafter the "Program") hosted by Colorado School of Mines (hereinafter "CSM") from 8:30am - 3:00pm on April 20, 2024. I understand that the Program shall be conducted for the entertainment and educational benefit of the participating children and acknowledge that my child's participation in the Program is voluntary. I understand that the Program shall include an online programming competition. I understand that appropriate adult supervision of the activities will be provided by CSM. I am aware that the Program activities, while not inherently dangerous, nonetheless involve a certain degree of risk. Despite my awareness of this risk, it is my desire that my child participate in the Program. In consideration for the opportunity to enroll my child in the Program, I hereby voluntarily assume full responsibility for all risks of loss, property damage or personal injury, including death, that may be sustained by me or my child as a result of my child's participation in the Program, whether caused by the negligence of CSM or otherwise. I specifically release the State of Colorado, CSM, the Board of Trustees of CSM, and all agents and employees of CSM from any and all liability resulting from or relating to my child's participation in the Program. I am executing this document voluntarily on today's date and on behalf of myself, my spouse (if applicable), and my child with full knowledge of my legal rights with regard thereto.

PHOTO/MULTIMEDIA MODEL RELEASE

All photographers and videographers taking photographs, videos or audio recordings on university property or at university events in their capacity as Mines' employees must obtain a signed release from any student, faculty member, staff member, or community member who is visibly recognizable in the photograph or recording prior to making any commercial use of such photograph (including use in all public relations materials and marketing materials used to promote or market Mines' or its departments such as websites, newsletters, brochures, magazines, signage or other similar materials). Crowd scenes where no single person is the dominant feature are exempt as are photographs taken of news events. However, photographs taken for news purposes require a release prior to reuse in public relations or marketing materials.
